- Books in the Classroom

50 Fabulous Facts about Ocean Animals

50 Incredible Facts about Oceans

- Plastic pollution
- Conservation leadership
- Debate & persuasive writing
- Global citizenship

**Preparing informed future
leaders**

The cover features a vibrant illustration of an underwater scene. A large blue whale is on the left, and a sea turtle is on the right. In the center is a globe of the Earth. A dashed line with a red 'X' connects the whale to a plastic bottle and a fishing net, indicating negative impact. A green checkmark connects the globe to the sea turtle, indicating positive impact. The globe is labeled 'Reducing Plastic' and 'Protecting Reefs'. The background shows colorful coral reefs and small fish. The title 'OCEAN ADVENTURES' is at the top in large, bold, black letters. Below it is 'Teacher Resource' and 'YEAR SIX - UK CURRICULUM'. At the bottom, there is a gold circular badge with 'CURRICULUM ALIGNED' and a Union Jack flag. The website 'www.barnettauthor.co.uk' and the author's name 'Gloria Barnett - The Weird Fish Lady' are on the right. The text 'DOWNLOAD to your Classroom' is at the bottom.
